

How to add  
your COVID-19  
digital certificate  
to the **Service  
Victoria app**

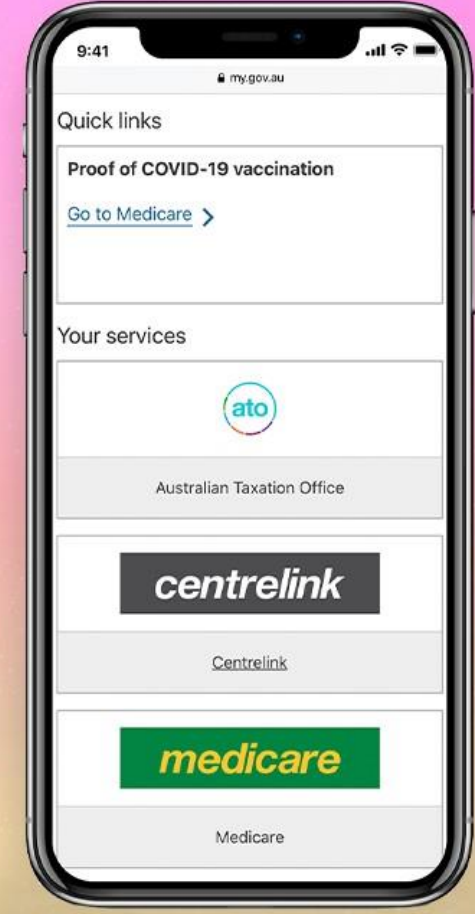

Open the  
Service Victoria  
app and tap  
**Add certificate  
via myGov**

# Sign in to myGov

- Enter code sent to your mobile

Scroll to proof  
of COVID-19  
vaccination and  
tap on **Go to  
Medicare**

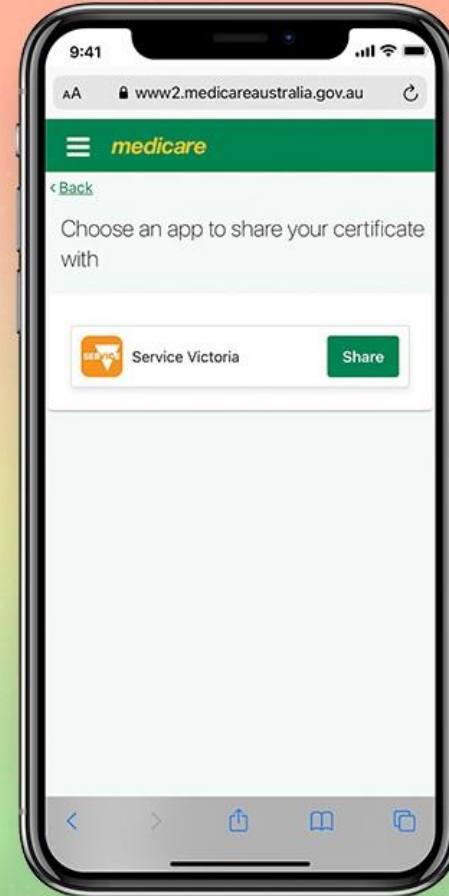

Click on Immunisation History

1. Click on 'View History'

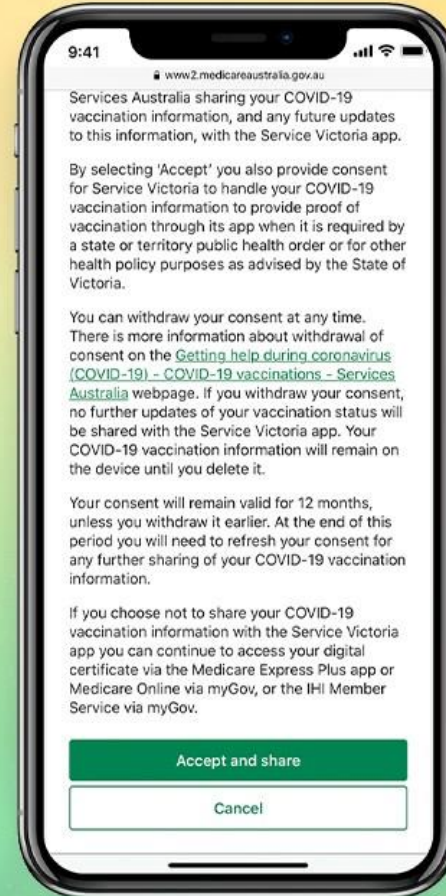

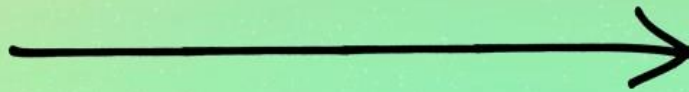

2. Select whose document you want to view

3. Click on Share with check in app

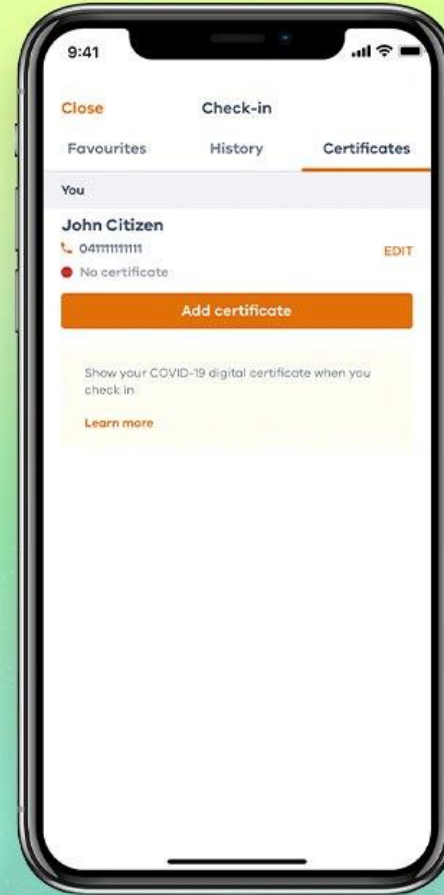

Tap **Share** next  
to Service Victoria

Read the conditions then tap **Accept and share**

Then in the  
Service Victoria  
app tap **Add  
certificate**

# You're good to go
